Subject: Use of RESTUBE SAFETY BUOY in World Triathlon Competitions.

To Whom It May Concern:

Following a request from the “RESTUBE” company, the World Triathlon Technical Committee has reviewed the RESTUBE SAFETY BUOY website and looked at the implications of allowing competitors to use it.

Under the current rules, the World Triathlon Technical Committee confirmed that RESTUBE SAFETY BUOY are allowed in all World Triathlon Competition formats.

For more clarification, please contact Mr. Thanos Nikopoulos, World Triathlon Head of Operations/ Staff liaison with the World Triathlon Technical Committee, at [thanos.nikopoulos@triathlon.org](mailto:thanos.nikopoulos@triathlon.org).
